Bretagne introduction

Welcome to Charltons Furniture — part of Charltons Group that has successfully been selling wood and timber products for well over 100 years.

Charltons means modern quality dining, living and bedroom furniture. As we will be applying all of the finishes ourselves, we have a quality system second to none where every piece is inspected before packaging. In short, we bring peace of mind.

Charltons Furniture now also means more choice. We provide what you the customer actually wants. Our expanded spray shop at our Somerset base now provide a real choice of colour with a different and vibrant range of paints, stains and oils.

Not all furniture looks and feels the same

Charltons Furniture. Quality Ingrained

What continues to make Bretagne so popular with our customers is the choice that we are able to provide from our fresh and innovative range of paints, stains and natural finishes. Your home is a special place. With Charltons you can choose the exact finishes to help make your home unique to you.
